RESPONSE TO NON-COMPLIANT AMENDMENT

Sir:

This paper is being filed in response to the Notice of Non-Compliant Amendment dated 30 January 2008. In the notice, the Office requires that Applicants indicate which figures, lines, or paragraphs from the specification that support the newly added limitations of the amended claims. In a telephone discussion conducted on 4 February 2008, Applicants' undersigned representative noted that such an indication is not required under 37 CFR 1.121 or 37 CFR 1.4 for a compliant amendment. The Examiner agreed to withdraw the Notice.

However, to date, no action has been taken by the Examiner. To this extent, Applicants are filing this response to clarify the record. Additionally, in order to expedite consideration of the substance of the claims, Applicants note that support for the amendments can be found throughout the specification and figures including, *inter alia*, FIG. 1, paragraphs 0020-0022 and 0031-0033.

In light of the above, Applicants respectfully request prompt consideration of the Amendment filed 31 October 2007. Should the Examiner require anything further to consider the Amendment, the Examiner is invited to contact Applicants' undersigned representative at the number listed below.

Respectfully submitted,

/John LaBatt/
